Check us out online at: www.CETWEB.com

Highest, consistent pass rate available!

References upon request!

- Workbook #1: Chapter sequential questions, self-paced, and visually outlined. A great review of the topics most frequently asked on the exam. The workbook format helps you to conceptualize and commit to memory, subject matter important to the exams. 864 Questions and Answers. *Included* in Full Tuition cost!
- Workbook #2: Chapter sequential questions and answers, with multiple choice and fill in the blank type questions. Similar to the actual certification exam and can even be timed for 3-½ hour increments to improve both your timing and problem solving techniques! 864 Questions and Answers. *Included* in Full Tuition cost!
- Workbook #3: This interactive classroom booklet tests your knowledge of the manuals... chapter by chapter... prior to reviewing the chapter in class with the instructor. Lets you know ahead of time, where additional study may be needed! 864 Questions and Answers. *Included* in Full Tuition cost!
- Workbook #4 (Bonus!) Appendix A, B, C, D, E and F Questions and answers, plus symbol skills! *Included* in Full Tuition cost!

RCDD Full Tuition is just \$895.00

(plus shipping of \$12.00, includes 3-days of class and all 4 pre-study guides)

Reference cards are available for an additional \$150.00 per 500-card set!
